

PROFILE

An experienced producer seeking to contribute to a team to expand production, sound design and live events. 25 years as a musician and cellist has given me strong creative and organizational abilities, and taught me to hear in 3-D. I thrive by helping teams create audio experiences that stimulate and enlighten. Handy with technology and a quick study.

SKILLS

- Producer/Host
- Audio Editor/Mixer
- Live Events
- Showrunner
- Composer/Sound Designer
- Acclaimed Celist

PRAISE

"I'll share the stage with you anytime, anywhere!"

- Levar Burton

"Trevor is an outstanding creative collaborator. You can count on him to over-deliver in terms of both the quality of his work and his approach to deadlines and budgets."

- Chris Bannon, Chief Content Officer, Stitcher
